

Shih Li-Jen Biography

Shih Li-Jen was born in Changhua County, Taiwan in 1955. As a celebrated art curator and art manager in China and Taiwan, Mr. Shih won a major award as a person who demonstrates “Art and Business Awareness” from the Taiwan Council for Culture Affairs in 2004. Throughout the years, Shih has worked alongside international master artists such as César F. Arman and P. Hiquily. Recently, he has created a series of paintings and sculptures that represent the familial affection between animals. The works of *Rhino Family* embody Shih’s view towards kindred relations with characteristics of strength and tenderness whilst paying homage to the eternal aesthetics of the classics.
